The sorority asks members to please use the online recommendation and legacy introduction form. Please visit www.kappadelta.org/alumnae-life/recommendation-forms/ to learn more.

**Kappa Delta Legacy Policy:**

- The responsibility and privilege of choosing members belongs to the collegiate chapter with the guidance of the chapter advisory board and collegiate membership director, a national volunteer trained in legacy issues.
- A KD legacy is the daughter, granddaughter or sister of an initiated member in good standing. A member in good standing is a member who has not resigned or is not on national probation. Half and step relations are considered legacies if their KD family member in good standing considers them as such.
- Kappa Delta chapters give special consideration to each legacy and do not scrutinize legacies more intently than other potential new members (PNMs).
- A legacy should be a qualified PNM in regard to scholarship, activities, accomplishments, honors and group compatibility. Being a KD legacy does not guarantee membership. Some chapters may have more legacies than new member openings.
- If a legacy is to be released, it is done in a timely manner to allow her to be recruited by other sororities.
- There is a specific procedure for releasing a legacy that involves permission from the collegiate membership director.
- If a legacy accepts an invitation to a KD Preference event, she will be placed at the top of the chapter’s bid list.
- The alumna submitting this form will receive an acknowledgment when submitted online or from the chapter via email or USPS if no email is given. Since membership selection is confidential, no other communication will be forthcoming regarding the status of a legacy.
- Each legacy is encouraged to also have a KD recommendation written by someone who knows her personally. A recommendation form is published in the spring issue of The Angelos or may be completed electronically by visiting www.kappadelta.org/alumnae-life/recommendation-forms. Please note that electronic forms are preferred.
- Legacy introduction forms and recommendations should be submitted online or mailed directly to the chapter as soon as possible. Some chapters may have a deadline. Information may be obtained by viewing the individual chapter’s website. For more information, visit www.kappadelta.org/find-a-chapter.

**Legacy Information:**

Name of legacy ___________________________ (First) (Nickname or Name Called) (Middle) (Last)

Institution ___________________________

Beginning school term (example: Fall 2019)

College class:  [ ] First Year  [ ] Sophomore  [ ] Junior  [ ] Senior
