# How to Write an Amendment

## 1. If you want to amend by **INSERTING** words:

If the revision reads: “Each chapter shall have a TV in the lounge” and you want to make sure the stated television is a wide-screen TV, write your suggestion this way:

We/I suggest amending Article III., Page 9, Section 2. by inserting “wide-screen” before “TV.”

This section will then read: “Each chapter shall have a wide-screen TV in the lounge.”

## 2. If you want to amend by **ADDING** words:

If the revision reads: “Each chapter shall have a TV in the lounge” and you want to make sure you can also watch TV while eating your meals as well as sitting in the lounge, write your suggestion this way:

We/I suggest amending Article III., Page 9, Section 2 by adding “and in the dining room.”

This section will then read: “Each chapter shall have a TV in the lounge and in the dining room.”

## 3. If you want to amend by **STRIKING OUT** words:

If the revision reads: “Each chapter shall have a TV in the lounge” and you want to make sure the chapter can have a TV anywhere they choose, write your suggestion this way:

We/I suggest amending Article III., Page 9, Section 2, by striking out “in the lounge.”

This section will then read: “Each chapter shall have a TV.”

## 4. If you want to amend by **STRIKING OUT and INSERTING** words:

If the revision reads: “Each chapter shall have a TV in the lounge” and you think the bedrooms would be a much better location, write your suggestion this way:

We/I suggest amending Article III, Page 9, Section 2, by striking out “the lounge” and inserting “all the bedrooms.”

This section will then read: “Each chapter shall have a TV in all the bedrooms.”
